

MISSION STATEMENT

“The mission of the Southern Pines Police Department is to partner with the community to keep the peace and to protect citizens of Southern Pines, their guests, and their property. We enforce the ordinances and statutes ratified by our state and town council. We are here to serve.”

VISION STATEMENT

“We are a professional police service committed to the needs of our community. We effect change through personal interaction and a can-do attitude, forging partnerships with people we serve. We honor the Community by treating the public with fairness, honesty, and civility while providing the highest quality of service. We work as a team while recognizing the value of each member. We individually and organizationally nurture personal and professional growth in order to better serve the community.”
