### THE OPTIMIST CREED

\*Promise yourself to be so strong, that nothing can disturb your peace of mind. \*To talk health, happiness and prosperity to every person you meet. \*To make all your friends feel there is something in them. \*To look at the sunny side of everything and make our optimism come true. \*To think only of the best, and expect only the best. \*To be just as enthusiastic about the success of others as you are about your own. \*To forget the mistakes of the past and press on to greater achievements of the future. \*To wear a cheerful countenance at all times and give every living creature you meet a smile. \*To give so much time to the improvement of yourself that you have no time to criticize others. \*To be too large for worry, too noble for anger, too strong for fear and too happy to permit the presence of trouble.
