## **Southern Pines Police Department Announces: CALEA Public Access Portal**

As an Advanced Law Enforcement Accredited agency, the Southern Pines Police Department is part of a continuous process of development and improvement. The goal of this process is to maintain the best practices in law enforcement and provide the highest quality services to our community. As part of this process, the Commission on Accreditation for Law Enforcement Agencies (CALEA) has introduced a public access portal. Access to the portal is provided as an opportunity for comments, commendations, and other information regarding the agency's quality of service or other information relevant to the accreditation process. If you would like more information on the accreditation process, or you would like to provide feedback on one of the above-mentioned topics, you can access the public portal through the Southern Pines Police Department website at <https://www.southernpines.net/134/Police>. The link to the portal can be found in the CALEA Advanced Accreditation section.
