

Southern Pines Town Council to Appoint New Council Member

November 27, 2023: The Town of Southern Pines is accepting applications for appointment to the Town Council. The selected resident will serve the remaining two years of Taylor Clement's term until the election of 2025.

"Serving on the Town Council has been an enormous privilege," noted Mayor-elect Taylor Clement. "If you share my love for Southern Pines, serving on the Council is the ultimate way to give back to the community."

Applications are being accepted through Friday, December 15 by the Town Clerk. Town Council will review the applications and decide on a process and timeline to proceed.

Comprising four council members and a mayor, the Southern Pines Town Council is the non-partisan governing board for the Town. Members are elected at large to four-year terms, with elections staggered every 2 years. The Town Council holds meetings each month which are open to the public, appoints advisory boards, sets the Town's annual budget, and sets priorities for the town leadership through the Town Manager.

Applications and more information is available at sopinesnc.info/council
