HIGH SCHOOL PARKING PRIVILEGE AGREEMENT

WHY SHOULD I BUCKLE UP?

Too many unbelted teens die or suffer needless injuries in traffic crashes. According to the National Highway Traffic Safety Administration, 58.1 percent of 16- to 20-year olds who were killed or seriously injured in 2006 traffic crashes were **NOT** wearing their seat belts.

North Carolina's Seat Belt law requires drivers and all passengers — regardless of age or seating position — to be buckled up. According to 2006 North Carolina data, at least 85 unrestrained teens between the ages of 15 to 19 died in traffic crashes. Hundreds more were seriously injured.

SAFETY TIPS

- Always wear your safety belt and make sure all passengers buckle up. It is the law in North Carolina.
- Do not allow more people in the car than you have safety belts for them to use.
- Obey the speed limit, going too fast gives you less time to stop or react.
- Always use turn signals, which can help prevent rear-end collisions.
- Do not blast the radio. You may miss hearing a siren or a horn that could warn you of possible trouble.

PARENT/GUARDIAN AND STUDENT PARKING PRIVILEGE AGREEMENT

The Governor's Highway Safety Program has developed a High School Parking Privilege Agreement to ensure that teen drivers and passengers use their safety belts. Student drivers who do not buckle up and/or whose passengers are not safely restrained will risk losing on-campus parking privileges. It is recommended that student drivers and their parent or guardian sign this agreement prior to the student obtaining a parking pass to park their vehicle on campus.

The first time a student driver is observed driving on campus unrestrained or has unrestrained passengers in the car, he or she will receive a written warning.

- *The student and their parent or guardian must sign and return the written warning to ensure continued access to on-campus parking.*

A second violation will result in a one-week (five consecutive school days) loss of parking privileges.

- *The written violation will require the signature of the student and their parent or guardian to restore on-campus parking privileges after one week.*
- *If a removable hanging pass is administered by the school, then the school will retain the pass until the suspension is complete.*

A third violation will result in a two-week (10 consecutive school days) loss of parking privileges.

- *The written violation will require the signature of the student and their parent or guardian to restore on-campus parking privileges after two weeks.*

- *If a removable hanging pass is administered by the school, then the school will retain the pass until the suspension is complete.*

A fourth violation will result in a one-month (20 consecutive school days) loss of parking privileges.

- *The written violation will require the signature of the student and their parent or guardian to restore on-campus parking privileges after one month.*
- *If a removable hanging pass is administered by the school, then the school will retain the pass until the suspension is complete.*

A fifth violation will result in suspension of on-campus parking privilege for the remainder of the school year.

Parking fees are non-refundable for the suspension of on-campus parking privileges.

**The level of enforcement and punishment can be determined by the school. This model is only a suggestion for implementation.*
