UDO §2.28.10. Criteria for a Certificate of Appropriateness – Major Work

- (A) In considering an application for a Certificate of Appropriateness, the Commission shall take into account the historical and/or architectural significance under consideration and the exterior form and appearance of any proposed additions or modifications to that structure that are visible from a public right-of-way. The Commission shall not consider interior arrangement or use.
- (B) The Commission shall consider the following factors when determining whether the application is or is not congruous with the historic aspects of the Historic District:
1. The height of the building in relation to the average height of the nearest adjacent and opposite buildings.
 2. The setback and placement on a Lot of the building in relation to the average setback and placement of the nearest adjacent and opposite buildings.
 3. Exterior construction materials, including texture and pattern.
 4. Architectural detailing, such as lintels, cornices, brick bond and foundation materials.
 5. Roof shapes, forms and materials.
 6. Proportion, shape, positioning and location, pattern and size of any elements of fenestration.
 7. General form and proportions of buildings and structures.
 8. Appurtenant fixtures and other features such as lighting.
 9. Structural conditions and soundness.
 10. Architectural scale.
 11. Secretary of the Interior Guidelines.
- (C) Prior to approving the application, the Commission shall make the following findings:
1. Work is compatible and appropriate in preserving, retaining, repairing, or restoring the defining historic character of a property and the district. Specifically, the work is considered compatible and appropriate in terms of material, design, dimensions, mass, scale, orientation, color and other applicable considerations;
 2. Work does not damage or remove significant character defining features of the building and will not adversely affect its contribution to the larger historic district; and
 3. Work is consistent with the adopted design guidelines for the historic district.
