

AUGUST PROGRAMS

ATLAS: At The Library After School

Our after-school program for **K-2nd graders** is perfect for school-aged kids who enjoy listening to stories. Stay for our related craft or take it with you. Caregivers participation is encouraged.

Wednesday, August 17 at 3:30pm

Drop-In Craft Saturdays

Children and families, come by the library and work on our craft kit of the day at your own pace. Both crafts will be **frozen-treat related!**

Saturdays, August 6 & 20, all day

STEAM Sunday: The Science Behind Ice Cream

Perfect for **K-5th graders** who like to experiment, create, and innovate.

This month, we will be making our own **ice cream!**

Caregiver participation is highly encouraged.
